Any manuscript that does not conform to requirements may be returned for reworking or retyping. The publisher reserves the right to copyedit manuscripts to conform to journal style.

The lead author will receive galley proof for correction of typographical errors only. No rewriting of the accepted manuscript will be allowed in the proof stage.

The lead author of each article will receive one free copy of the journal after publication. Additional copies may be purchased at the prevailing price from the Publisher.

It is the responsibility of author(s) to obtain permission to use previously published material in their manuscript.
